Customer further acknowledges the risk that Customer's fine art may lose some or all of their value while the assets are being appraised. Customer further acknowledges that Appraisal Bureau is not responsible for any of these variables or risks and cannot be held liable for any resulting losses that Customer experiences.

# Restricted Appraisal Reports

Restricted Appraisal Reports are USPAP compliant reports offering a valuation estimate. Users of the reports are restricted to parties specifically named in the appraisal document.

The applied valuation methodology is the same as Appraisal Reports and research is archived with Appraisal Bureau. In the case a full Appraisal Report is issued in addition, the fee of the Restricted Report is deducted from the final cost of the Appraisal.

Restricted Reports are often used for determining a general valuation ahead of events such as acquisition or charitable donation.
